Policy Title: Maximum Length of Completion of DO Program
Functional Area: ACADEMIC

Status: FINAL
Effective: 06/01/2017
Approved by: SOM Leadership Council
Policy Contact: Associate Dean Medical and Interprofessional Education
Responsible Office: OMIE
Last Reviewed/Updated: 12/3/2020

Purpose: The purpose of this policy is to state the maximum length of completion of the DO program by single degree DO students.

Policy Statement

Maximum Length of Completion: The number of credit hours a learner attempts may not exceed 150% of the number of hours required for graduation from the program. Single degree osteopathic medical students must complete their program and graduate within six years from the time of their start date (matriculation).
