Windows Operating System:
- **Processor**: 3.0 Ghz
- **RAM**: 8 GB
- **Operating System:** Windows 10
- **Web Browser:** Google Chrome latest version

MAC OS:
- **Processor:** 2.7 Ghz
- **RAM:** 8GB
- **Operating System:** OS X 10.11 El Capitan
- **Web Browser:** Google Chrome latest version

Microsoft Office:
UIW provided learners with 5 licenses to download Microsoft Office products to their computer. In the event a license was given from a previous institution, the UIWSOM help desk will need to activate the UIW license to their machine.

Information pertaining to Antiviruses (Free and Premium) can be found here:
https://my.uiw.edu/ird/students/student-anti-virus-anti-spam-protection.html

Learners can visit OntheHub to purchases a variety of computer software at a discount.
https://incarnateword.onthehub.com/WebStore/ProductsByMajorVersionList.aspx?cmi_mnuMain=f189368af0a6-e811-8109-000d3af41938

Laptop use includes but is not limited to:
• Accessing and downloading files (documents, presentations, videos, etc.)
• Uploading assignment files (documents, presentations, videos, etc.)
• Taking quizzes and exams
• Posting to discussion boards
• Accessing resources through different browsers
• Taking notes/annotating resources
• Presenting learner created files and media

Disclaimer:
The student laptop program is managed by the UIW Bookstore. If a learner purchases a laptop through the bookstore, PC or Mac, it is highly recommended that they include a laptop warranty at the time of purchase. The UIW Bookstore and UIWSOM Help Desk will aid students in contacting vendors to resolve hardware
warranty issues. The Help Desk at UIWSOM and the UIW main campus Help Desk will provide support for any software problems.
