

RESEARCH CHALK AND TALK SERIES

The Office of Research and Innovation would like to welcome you to attend the first Chalk and Talk session of the Fall 2023 semester! This session will be a research FAQ session. All learners are welcome; however we particularly want interested first year learners to attend as we know they have a lot of questions.

**August 21st at 12:10pm
Bldg. 1, Room A142**

The goal of the Chalk and Talk is to provide a forum where we can learn about research being done by learners, staff and faculty. Our format is flexible; you can choose to present a 46 min seminar, a 10 min meeting presentation, or a panel discussion/debate. Be creative and sign up for one of the dates below to discuss your ideas, projects you are working on, and anything else that interests you.

Series Dates: Sep 18 2023, Oct 16 2023, Nov 20 2023, Dec 18 2023
