TRUE COLORS HISTORY

400 B.C. Hippocrates – Four Types of Personalities

- Sanguine
- Choleric
- Phlegmatic
- Melancholic
1921 Carl Jung - Psychological Types

“Even a happy life cannot be without a measure of darkness, and the word happy would lose its meaning if it were not balanced by sadness. It is far better take things as they come along with patience and equanimity.”

Carl Jung

1967 David Keirsey – Temperament Types
1978 Don Lowry – True Colors

“Successful people know who they are and what their True Colors are... when you know what your core values and needs are and feel good about them, you can perform at your highest potential in every area of life. And when you share a working, mutual understanding of other’s core values and needs, you have the basis to communicate, motivate, and achieve common goals with utmost dignity, efficacy, and mutual respect.”

-Don Lowry, creator of True Colors.
