- Subject: South Texas Veterans Health Care System Resident VA Verification

Dear Resident:

To facilitate creating computer codes, and a VA email, we must know whether you've ever been at a VA facility, in any capacity. Please indicate below.

Your name: _____

UTHSCA Program Name: _____

- I have NOT been at any VA, in any capacity
- I have been at a VA (to include San Antonio).
 - Dates: _____
 - Which VA: _____
 - Purpose: _____
 - Do you have a PIV badge from another VA and what is the expiration date? _____

Failure to provide this information can result in a delay in gaining computer codes and ultimately the PIV ID card. If you have a PIV card from another VA, please bring that with you if it's still active.

Should you have additional questions or concerns, please call Robin Risemas, Office of Associate Chief of Staff for Education, at 210-617-5109, or email: robin.risemas@va.gov

We look forward to meeting you and would like to welcome you to South Texas Veterans Health Care System.
